It is too complicated right now as we are meeting in a different office. The main address is on 45th street. Will check the address and send you but it will be almost impossible to reach him as he is leaving as soon as mtg is over.

HI

There is some emergency and Bill needs to leave immediately after our meeting at Schrodinger.

He needs to be in the air at 6pm.

I am not joining him to DC as I need to stay in NYC one day more to take care of few things.

If you have time, I can meet you after my meeting at Schrodinger (at your place around 5:45pm).

Bill is thanking you for last night and says that it was fantastic.

I will let you know more.

See you soon!

B

I never stay up that late.. thanks.. I would like you to ask Bill that though his "man in the street" concern regarding the eventual convertibility of the dollar -- is the right marketing concern, BUT what is the last-resort convertibility of the DOLLAR? NONE -- it converts to nothing. It is the current world champ currency, due only to trust and confidence..contrast/ the shares of microsoft. have a judicial claim on the co's assets.
