yes, he said he would take 60k in wages, pay tax and be done.. I don't trust him at all, and a payment from me at the moment if disclosed to the press would look like a payoff for the little shit.

I'm just as concerned for you! Don't worry about me!

It would seem we are in this together and will have to rise above it!

Let me know if you want me to deal with J wages.

Otherwise keep in close touch and we'll play some more soon!!!!

We have had a discussion this morning and we are somewhat at a loss as to how to deal with this as it is now innuendo rather than substantive allegations, notwithstanding anything false they have said about you or hislaine.

We are having discreet discussions with the Press Complaints Commission but don't hold out much hope for a sensible.

We will be writing a lawyers letter to the Mail Group (again) upon the accuracy and innuendo failures. This is a regular thing and has to be done to register our displeasure.

No one else has even sparked at the story over here, which is a good thing.

Unfortunately this is what we have come to expect of the poor editorial standards and poor journalism of the Mail Group.

Most people here, sadly, just raise their shoulders and shrug saying this is just the Mail again!

However if you have any suggestions they are gratefully received.
