Hi there=is a problem with your seat for the TED dinner.
=
Just heard=that the list was finalized and closed on Monday. The invites went=out and were confirmed. I can't take you with me as you spo=ses are generally not allowed at TED's dinners.
That I knew earlier it would be much easier – I got both Jee and=Ghisleine on the list (but even that was not that easy) but that was two=weeks ago.
Right now== everything must go through Bill.
=
You can se=d him a note that you are not going to TED (you do not have ticket and it=is impossible to get it now) but that you will be in LA area (do not make=it sound that you are going there only for a dinner!) anyway and that you=are wondering whether would be OK to join to dinner.
=
So sorry=for this!
You must=give me more time in future
=
B
