Subject: Fwd: ZDC 1994 Bobcat Skid Steer

Brice wants to sell the 1994 Bobcat for 6000 plus 1,170 of cost savings on sod purchase at a discount (.53 vs .79 paid last year) Brice no longer needs this machine as we currently have new Case machine

Brice claims that machine needs approx 2000 of work which if true would make approx value of 8000 in line with what i see on internet please advise if you are ok with selling machine for 6000 and if you want sod to be replaced outside the main house pool area (1,170 is cost savings on purchase of sod at 2,385 vs 3,555) thank you

As discussed the below discount is offered by Stone Gate Turf Farm, plus the \$6000.00 for the 1994 Bobcat skid Steer.

The grass area outside the pool needs refurbishment, total area measures 90 x 50 = 4500 sq/ft
Stone Gate is prepared to discount sod price from .79 cent per square foot to .53 cents per square foot which calculates out to \$2385.00 @ .53 for 4500 ft Vs \$3555.00 @ .79 for 4500ft, a savings of \$1170.00
Sod could be picked up in May

The bill of sale would reflect the above terms , how do you wish to proceed.
