Scott has returned with the Sonos Remote Control but it will not function properly until we purchase zone bridges. He would like to know if he can leave and bring them in the morning, should he report to HBRK or here in the morning -- 001485f79550a1947d049d102dbe-- date-last-viewed 0 date-received 1298592717 flags 8590195713 gmail-label-ids 22 2 remote-id 137367
