I'm paying directly to the bank and not to the landlord. Not sure if you remember but I was telling you that I'm staying at the apartment that [REDACTED] bought years ago and was renting it for other people. Now I'm staying in it and instead of paying rent, I took over paying bank loan.

If it's easiest for you to wire money to my account, let's do it so. I will just pay taxes and the problem will be solved.)

By the way Jeffrey, one more last question! about my apartment - I've paid for it from September with money you gave me for 3 months and in December I have to make payment to the bank again. As I told you when we were in Paris it would be much better for me to get money in cash instead of receiving it to my bank account (because of taxes). Do you think we can find a way to do so? Maybe I should come for a short one day visit to [REDACTED] when you are there??

Hope you're well and sending you many kisses!
