Jim Grant (Robert Redford) is a public interest lawyer and single father raising his daughter in the tranquil suburbs of Albany, New York. Grant's world is turned upside down when a brash young reporter named Ben Shepard (Shia LaBeouf) exposes his true identity as a former 1970s antiwar radical fugitive wanted for murder. After living for more than 30 years underground, Grant must now go on the run. With the FBI in hot pursuit, he sets off on a cross-country journey to track down the one person that can clear his name.
