Spoke with Rich yesterday evening. He said he was going to speak with you and then get back to me this afternoon. Let's do this, and make money and impact.

Beth Comstock, our client at GE, asked me this morning to co-host a nightcap with her in Davos -- besides being great for our GE business, it'll be a huge sales opportunity in front of other companies.

Had dinner with JB last night -- we have ideas about your website. We should all meet.
