J,

I miss you. You=rock. You have no idea how much good stuff you gave me. It's amazing.
= just wake up and have money fall on me. I don't feel like I am workin= at all. I am very excited to work though. Its fun. I
love the people in m= life. It would be nice if you were one of them, but maybe when you get or=anized we can spend
more time together.

I think I met my match, a guy I work with. I want to mary him. He is th= only person that
is not intimidated by me and I can pitch and catch with.=I also met an amazing guy in [REDACTED], he is very much like
you. The on=y difference is he talks! How cool is that? And I can eat him for breakfas=. He is totally crazy about me. He
said the way he feels when he is with m= is more close than with his wife of 15 years. He is shocked that someone =s
able to understand and connect with him. I love it. To me its like a nic= carrot for you. The best part is that I found a
replacement to meet my ne=ds that is very kosher.

I have one more guy. He is a player and seems like a jerk but is actual=y an amazing guy. I gave him my date w destiny notebook and he was so grat=ful. He told me he completely redid his personal and business goals. That =s so awesome.

Ok One more guy. He is russian and we had the best sex ever. His name is [REDACTED]. I thought I really liked him, but then he started playing hard t= get. That turns me off. I want guys who are crazy about me and appreciate=me, not the ones I have to run after. I had enough of that. The poor man i= driving himself nuts. He is trying to get hard to get, but is playing all=by himself because I really don't care. It's amusing. Well at leas= he can introduce me to cute girls. His behavior reminds me of [REDACTED] He b=came so uncomfortable after I cut him off. He feels like he has no hold on=me whatsoever and he doesn't know what I will do in the future, if I w=ll give him the same attention or not.

So this is the game plan... I think I found the husband. I know what I =ant in terms of work. This year I will try to perfect my deal closing syst=m, find out what I need to open a brokerage and set up referral streams. G=t [REDACTED] by the balls, I'd like to manage his life maybe. I'd like =o do a cleanse, improve my diet and work out consistently and travel. Also=I have so many unusual experience I like to write them down. May make good=short stories.

Also I am surprised that I am getting much sharper and smarter. I think=it is because I have sex a lot. Tony Robbins said there was experiment wit= monkeys and they learned 50 times faster when their pleasure center was s=imulated. :)

Also I am very happy emotionally. I go between 0 and 100 every day. Som=times I feel nothing, I just work, other times I am able to feel love and =oy and excitement. What a great combination. It's like I am able to tu=n it off and on instantly.

Anyway, I am very happy. Going to St Barts tomorrow. That will be fun := Hope to talk to you or see you soon. If you would like to surprise me and=respond to this email that would be great, but I love you anyway and don't expect anything from you. Jeffrey, remember sharing is caring. I can t=ach you what that means.

Kisses
