Subject: HI

Hi Jeffrey

A couple of things:="/span>

1. =MR Convert back down to 113.00. We have \$1MM. I think we should buy =nother \$1MM.
- 2.&nb=p; We are launchin= a Digital Growth Fund – I think you should sign a NDA and see which=names the fund has committed to.
3. =. =nbsp; The Turkish Lira is down 11% since N=vember. There was some technical selling by local banks which we think i= overdone. I think we should buy a 6 month 1.5250 TRY call for 6 month= and finance it with a 3 month 1.5600 TRY put with a 1.7000 Knock-In=2E This will pay us a small net credit.

Let me know

Paul
