Please see below brief information about the [redacted]
Degree Programme, prices and admission requirements for the academic year 2014/2015.

The aim of the programme is to manage and optimize the [redacted] product
effectively, you need to know its evolution and its direction. This is the start of true entrepreneurship. [redacted]
[redacted] school, offers this 360° preparatory program focusing on every aspect of the [redacted]
business: from project to production, commercialization to distribution and retail. Here we study the product, including
its life cycle, and learn how to recognize quality and analyze market trends.

To do this, you must first study [redacted] collections, production and quality
control. Furthermore, you will study the evolution of ways and customs, lifestyles and market demands. Finally, you
must immerse yourself in the managerial and commercial sectors. You will study the market and its segmentation: you
will acquire the techniques of selling and commerce. You will learn how to control costs and refine communication and
promotional techniques. Upon acquiring all these skills, you will finally be able to implement your own projects, manage
collaborators and consultants effectively and jumpstart your career in any [redacted] company, including your own.

Subject of [redacted] Program are as follow:

1st year =93

2nd year =93

3rd year =93

The programme specification can be found on our website by using the following link:

The sandwich course is a course where the first two years of studies in the Degree Programme are followed by a third year of work in a firm, after which student returns to school to complete the fourth and final year of studies. The work period involves a minimum of 36 weeks in a company in the industry, working in close contact with professionals of the industry. At the end of the 36 weeks, in addition to a better knowledge of the working environment, student will gain a reference from the work provider, which together adds a value to their training.
