Dear Jeffrey,

Hello. Happy New Years. I trust this note fi=ds you well and that you had a great holiday break.

A f=w updates:

\* I spoke with Eva about your giving the donation for enhanced education t= my Center in Celina's name. She knew about it of course already. Eva will d=scuss it with Celina to see if she wants to come to the Center to see w=at it is we do.

=Thank you again so much. We will use it to support education and training o= residents, fellows,

when to  
weekly  
educate

&n=sp; hospital staff and community physicians to give them the evidence base t=ey need to know  
= consider using integrative modalities with their patients. This also=enables us to expand our  
&nb=p; fellowship course (including developing more online material=) to teach the teachers: to  
=nbsp; residents, attendings and medical students in i=tegrative approaches.

antibiotic class

\* Did you ever get a chance to look at the bacteriophage materials? Seem p=omising for new a

that it seemed "fine"

\* How did your conversation about placebos with Ted Kaptchuk go? I got a c=ryptic email from him

\* Did you get an opportunity when you met with the Templeton Fdt to talk w=th them or give them the materials about proposals from CCHH for a study in=spirituality and healthcare outcomes?

\* I know you saw Rony after me to treat your cholesterol and triglycerides=and he was going to start you on a statin again. Let me know when you have g=tten things stable with him and we can talk further about your health:=I will ask him to send me notes (pedndng at the moment) to keep me in his l=op also.

That's enough for now.

Here's to=a healthy, successful and enjoyable 2011.

Best,

W=ody
