And, everyone is having a Great Time, and thank you! Seriously.

Hope you are too.

Did you want to borrow the movies? They are screeners of what is currently in the theaters.

Brock's talk ended up in an incredible discussion session on new currencies, regulations, etc. Wish you were here to contribute, as we would have valued your input, but understand you had to leave.

Thanks for all your support in allowing me to put it together for you, and hope that you are enjoying my collection of longtime friends and the dynamic that putting the right people together can produce.

Now that I have the lay of the land, if you are interested, I would like to arrange some other groups like this for you with incredible people that I know how to mix to give the best dynamic, intellectually and personally.
