Subject: Carpet Samples

I am not impressed with anything I have seen so far. I want to continue my search tomorrow. I have numbered them in case you do decide you want any samples. I have also been thinking that there are airplane safety codes and restrictions on what you can use so I am not sure if these are suitable. Can we use synthetic fibers?

1.

2.

2.

3.

4. 85% wool, 15% synthetic silk

5. 100% viscose

6. 100% viscose

7.

8.

9.

10.
