Be safe there. I bet it helps people that you're there.

I will get u the schedule of the JP Morgan stuff. (Rosa -- can u send the place and time of the Morgan events in Davos).

I must say, getting a Christmas note from The Duke of York is sort of cool.

Sorry we missed in London. I was there to announce or deal in Canary Warf. We got pretty good press. Maybe in London the next time I'm there, I could show u the building we bought. (The old Lehman building). The mayor of London was funny as always.

Best
Jes

Dear Jes,

Wishing you a very happy Christmas and New Year. Sorry to have missed you this week. I had to go to Afghanistan so couldn't be here and couldn't tell you why or where I was.

Hope to catch up sometime after the New Year. I will be at Davos as usual.

Yours, A

HRH The Duke of York KG
