Subject: Screen shot

This is a screen shot of a google search on your name taken about one minute ago, and this is BEFORE the next big sweep. I UNDERSTAND your point about "one thing kills me," but the daily beast article is gone, the other ones, including the powerful Huffington Post, are about to be pushed off. And, out stuff is on top.

the google page is not good.. after sept when you told me you thought it would take approx twenty thousand to clean up. and hopefully in time for nov 1. then another ten thousand, and another ten thousand. and your emails about how you are all about results,, then an emergency 2500 dollars to keep servers active, then you told me micahel didn't want to give his bank details.. your quote was he'd explode, that was after he was sent forty thousand dollars directly to his bank.. I have yet to have a complete breakdown of payments. and the results, are what they are..
