Hi JE,

Best buy uses GEEK SQUAD
cost break downs would be as follows

then min I could see things costing would be \$1000 for the set up.

they have an al la cart systemes

=div>the \$99 would be applied to the service fees we would buy post consul=ation

here are breakdowns for eac= set up area

mounting

<<http://www.geeks=uad.com/assets/0/73/128/129/84e1636f-e537-43b0-afbd-3cec75c78098.png>>

IN-HOME

\$349.99

theater s=t up

=br>

\$149.99

remote set up&=bsp;

\$99

networking se= up

\$199

above i= for un-consealed wires etc

all fees needs an in home vi=it

I would need to set up the in home visit to get you a= exact quote

scott
