Jeffrey,

I got a quote of \$ 1,600 from international fright to come to 71st and crate the items that are going to LSJ and they will deliver them to Tropical in Kearny NJ and from there Tropical will send items to Florida to consolidate with other items going to LSJ.

Some of these items need to be handled very carefully so we all feel comfortable using International freight rather than other movers.

Also if you feel there are any items that are of high value that you would like to insure please let me know.

Please advise if I should proceed

Thank you
