Hey Larry,

Please see the email trail below for reference to the conversation I have had with the handler in Morocco. They have confirmed that as long as Ms. Shuliak arrives before the expiration date of her visa, she will be allowed to stay past the expiration date, as long as her total stay does not exceed 30 days.

Thank you,

David Zucca

Hello Karima,

So to confirm, if she enters Morocco on Saturday, the 19th of March, she can still stay a maximum of 30 days from that date, even if those 30 days are past the visa's expiration date?

Thank you,
