Hi [REDACTED] I spoke to JoJo Merwin who is working 8am to 6pm Monday to Friday at the Carlisle hotel he is not available during the day. My son William who is an ex marine and works for Tishman Speyer as an Engineer from 3:00pm to 11pm on 53rd street & 6th avenue and lives on [REDACTED] is available during the day. I can bring him in and show him the operation if JE likes. I also have a laptop where I can see the ac system and security cameras when I am on vacation. I will leave Williams cell number just in case of any emergency while I am away.
