**Subject:** Re: CWEW-Q Levitection

Hi Jeff=</div>

Dr. Levite presented the science to me i= much more details. Couldn't see a product,they don't have it yet. Bu= they're leading experts on advanced radars. Made sci-fi like achievements i= military products.

If you agree,=I will send Udi to negotiate better financial terms with them. Based on the=same construct we used in Reporty.You or Darren, and me will be updated alo=g the way. Then , based on what he can get we will make the final decision.=nbsp; Do you agree?

Looking forward.
