Subject: Bedside

Hi! I hope you are well. Lindsey and I stopped by the apt yesterday to adjust rug etc and the dresser is too deep. So we don't lose time we think two bedside tables with drawers will give you a better look and good storage. Please see below of some nice options. I like the first one nice ivory finish which will look nice with curtain fabric. I promise this will work better.

The dresser is 23" deep and it would be very tight to walk by!
