I have heard back already!

"Oh, that's great news. We are currently in the Virgin Islands--started another charter today! We will make time to Skype, just let us know what works for them. We would probably need to give a month of notice, but it might be flexible if the owner found someone suitable sooner. "

What time and when would you like me to set up the skype interview? Sunday or Monday? Do you want them to call or should I have the owner call them?

Kind Regards,

Sue Price
