>>> In this plan from Zeff, it's showing 2 kitchen tables at the banquet eac= 5'6" x 3' in size. Do you want two tables this size? You had said before y=u wanted 3 pedestal tables, which would require them to be smaller..

>>> The website you found has a huge range of sizes. I've ordered several sa=ples of different colors of linoleum for the tops of the tables as each one=is custom made.

>>> Do you like the diner chairs and bar stools they offer as well? I've ord=red samples of different colors of chair material as well since these can b= custom made too. I think the blue and white is nice to match the booths. I=ve attached some of the designs they offer, and you can have them made in w=atever color you want with contrasting piping, channeling, etc..
