Yes, I think it's definitely messy - and frankly, taking far too much of everyone's time (yours/mine/Hosain's).

Let's see what they figure out and we can speak. I just want to stay far away from the back and forth between Boris, BGI team and the company until it is resolved either way. I don't see any upside from either of us in adding to the mix.

This whole episode hasn't exactly been a success for either you or me... so what I meant was probably best not to attempt any other such efforts, whether Oman or Lookout.

I'm in London today/tomorrow and then China.

Honestly I can't afford another one of these situations, so probably best to put any other plans on hold.
