hi jeffrey,

..i've talked today to garry kerney and he told me that=they are going to put that painting on the ceiling and you want me to paint=the rest of the ceiling matching that dark blue.

i was thinking today at=that, and i think it would be better if they put the painting on the ceilin= first and then i will do the rest of the ceiling.. the blue on the paintin= is a little different in different parts of the painting so would be bette= having the painting on the ceiling..i can do a better match...the light is=different too.

what do you think, is that possible?
thank you,=br> =nbsp; ion

ps. i had an idea before coming to the island.. for the painting of the ceiling, i wanted to tell you about that. i was thinking to do the painting i did on the ceiling in expressionist style..in fact is my style of painting..so i was thinking you might like that..i wanted to show you some of my paintings to see the style i'm talking about.. maybe i'll show you when you get back..garry said you will be back tuesday
