Hi Cecile,

I hope that you are well.

I am finishing up a couple of articles that I will send out shortly. In the meantime, I was wondering if you could send me the list of charitable contributions for 2012 so far? I have those for 2011.<=DIV>

Also, the \$125k given to the International Peace Institute in 2011-- was that given to them generally or was it for a particular program or event?

Thanks for letting me know.

best regards,
