Hi there. Last Saturday, I had dinner with the writer of the piece on Trivers in Psychology Today; he sent me the article yesterday; I'll read it this morning. Trivers is a real character, of course—deliciously so. Very funny at times, outrageous at Rutgers, and brilliant. There are others: I'll think on this for you.

And I'd like to repay you for our delightful supper. Could I take you to lunch at The Century Club on Thursday or Friday? Or whatever.

Semper ad astra (always to the stars) And thanks again. Helen
