i spoke with adam gross and he said the delay in getting back was he was=unsure that Citi could do business with us.

he thought it m=ght relate to legal issues however his explanation was that it related to a=previous relationship that Citi decided to exit in 2006.

wh=n i questioned harry beller to refresh my memory he mentioned it might have=been wilbraham / aig CDO's with Citi

</=pan>

he also mentioned in previous conversations that he and jonat=an farkas have been talking however have yet to do any business together..<=span>
