Larry,

My Garmin rep was here last week and we were discussing the 727 again. We are finalizing a good date for the meeting at Garmin. I have the pricing from the DR team and most of the parts. I will get a semi firm quote to you all no later than Wednesday so Mr. Epstein has an idea of what we are looking at.

Neil

Hi Neil,

Mr Epstein is asking what is the next step to securing a firm or semiFIRM quote to install Garmin 5000 into the B727? Can you send me an email update so I can fwd to him.

He is very serious about proceeding if Garmin give us support and willing to proceed.

Thank you,

Larry
