jeffrey E.

I'm sure you're having fun in Paris. [REDACTED] is there for fashion week too.

I just learned another article is being written about [REDACTED].

Funny - it's catching on in the UK !! I dislike the radical self love /thrive line - plus i never said it.

I guess after YOU an army of men was necessary to follow suit :))

[REDACTED]
What a life - what a journey !! xo
