=DIV>the aplms on the beach CANNOT be planted in any thing other =han the main pool planter they are short fat and =gly,, these cannot even go on blue beach.. WERE =hese tagged,, they are not similiar I see the service =oad is not yet garded and the flag pole pool grading looks very =wkward.. there is not reason it cannot be smoothed and =haped it looks like we didnt , have enough fill. and =e know we have plenty,, it looks very artificial
