I do appreciate your advice and counsel and your genuine interest in [REDACTED] well being

with respect to MBZ, it would be very helpful if you can reassure him that his estate planning is in very good shape - that he has spent several years putting this together and that he has carried out his intent quite clearly over the course of time - he often forgets and then sits with attorney and then repeatedly comes largely to the same conclusion - even Alan Halperin reviewed and thought it was in good shape

thanks, jeffrey, such sensitive and delicate issues here ... appreciate your support ... we want to be as proactive and supportive to him as we can ...

we obviously need to keep [REDACTED]'s best interest at heart too ... I think premature to separate .. but my brother and I spend as much as possible with her and him and we make sure she knows that she has loving family around her ...

I am not a doctor but I would want to protect his life in current way for as long as possible ...

But appreciate having your help here ...
