Jeffrey-

1. on big "presentation" point on grats (on balance sheet) are you suggesting that we kill the grat column entirely and just carry annuity value in leon and debra and residual grat value, if any, (pretty much 0 these days) in "Total Trust" column? Certainly doable and won't change bottom-line. Thgts?

not to beat what should already be a dead horse but

1 balance sheet needs no grat explanations as the money does not leave the composite. just goes from one pocket to next silly

2, consolidated the word infers subsidiary . ie bad

3. re E and J trust, not simple given gaming disclosure rules.

4 discount for household goods?

5 what capital imporvenent on plane for 460k. is it really optional.?
