Stephen,

The bank is prepared to accept \$18.5m with a \$500k deposit. The inspection should consist of a visual, logs/records review, borescopes and test flight which should all be performed at Pentastar Aviation in Pontiac, MI.

Let me know if these terms are acceptable and if so deposit \$500k into escrow with IATS (I can send wiring instructions if needed) and we'll prepare the Purchase and Sale Agreement.

Thank you, />

Mr. Hanson,

I have communicated your offer with the bank and they are willing to accept an offer of \$19m with the 144 month as part of your prebuy inspection. If this acceptable please let me know.

Additionally, I have searched N343DF and that registration is with a 2015 model Global 6000 that delivered in December 2015 to Derwin Acquisitions LLC in New York. Is this your company or perhaps is your Global 5000 a different tail number?

Thank you for your interest and I will look forward to hearing from you.

Thank you Stephen. I will forward this on to the bank. Could you please tell me the tail number or serial number of the Global 5000 that you currently operate?
