I hope you had a wonderful Christmas and enjoy your time off. I have a bit of bad news but I hope we can resolve it. The Roll up door Company cannot have the door to the Port this Friday or Monday the 31st. They are telling me Wednesday or Thursday, January 2 or 3rd to the Port. Will this be okay and do you think that the shipment can still make it to you before the 18th when the crew arrives?

I am very sorry for the inconvenience.<=>

Thank You,
