Will you require rental car? Or car and Driver?

Moffett airport is 18min driving to your dinner,,
It's a NASA Aims Research airport controlled by Google I believe.
There is no official FBO, but airport is open 24/7 arrivals and Departures.<=r> Requires prior approval for
landing, which we requested.

SanJose airport is 32min driving Time to your dinner,. As backup.,

Do you approve of Moffett is we get landing permission?

Thx
