Good afternoon Richard,

I have scrutinized each and every item on the summary i=voice which identifies an outstanding balance of \$76,230.=/p>

These costs were already discounted due to my relationship with Jeffrey.

Although for the life of me I do understand why he want= to knock down the price, but as much as I care for Jeffrey, there are stil= things about him I just can't explain – this being one of them.

As a small business, this is real money that has an imp=ct on my business and is long overdue. I believe that if I concede to=taking TEN THOUSAND DOLLARS (\$10,000.00) off the outstanding balance due, that I am being far more than fair as I would like=to get this resolved and put it past us.

Respectfully,

Eric
