Whoopi Goldberg needs a plane to get to Monaco. John Lennon's Charity is paying for it. They don't want to charter so they are looking for private owners:

Here's the info:

"White Feather charity ball plane

-White Feather Foundation is Julian Lennon's charity -May 10, 2013 he will present WFF inaugural charity ball fundraiser, with Whoopi Goldberg hosting, in Monaco -Monies raised for this first fundraiser go to support water & humanitarian conservation, timed with the United Nations declaration of 2013 as World Water Year -H.S.H. Prince Albert & Princess Charlene will attend in support & friendship of WFF In need of a private jet craft with these travel dates:

-May 9= depart NYC 4:30pm direct to Nice France -May 12= depart Nice return to NYC (time not yet specified) The scheduled jet fell through yesterday and they are scrambling to get Whoopi over to Monaco I am sure the jet owner could attend the fete and get fuel reimbursed (otherwise if it is to be paid for, we'd love to know costs to factor it in for John. Obviously the more money we keep, the more goes directly to the charity)."

Would you want to offer the GII?
