Mr. Epstein Sorry for the delay getting back to you today no cell phone rule on the Golf course, the Grohe hand held is on order also meeting with the grohe representative in person tomorrow to go over the LS shower parts order for Gary Kerney. The plumbing Supply said tuesday or wednesday the latest for the hand held unit for 71st street. The basement Kitchen, cleaned up the fire area replaced damaged ceiling tiles around freezer area, checked freezer for repair beyond repair, put doors back on pushed freezer back into space until I can have Junk Pros rubbish company come in to remove it, this is on my schedule for Monday afternoon for removal. If there is any other rubbish you or Sara can think of and would like thrown out this would be a good time, due to a minimum flat rate they charge. Richard
