Dear [REDACTED]

We usually ask non-candidate interview invitees to join our candidates for their tour. But Tom asked if we might do a favor here, and he works very hard for us at Columbia... good fellow!

How would ten a.m. work? Whom shall I anticipate meeting besides [redacted] herself? And please can you help me orient the discussion and tour by telling me a bit about [redacted]? I assume she is pre-health in college?

Our address and phone number are below.

Thank you,

Dr D
