Hi Babe,

I am at Matsons Ave now. Have just been working on connecting to Chris's Wi Fi. I stayed in a hotel last night (4 hours) and then on to Christchurch this morning - the flight was late because of fog. Viv has just arrived ans says hi. We are having a cup of tea.

Love

Phil

Did you stay in the hotel last night? Or you wait in the airport? How long is the flight?

Hi Babe - I am in Auckland airport waiting for the flight to Christchurch, got in late last night and couldn't connect to the wi-fi. Not sure what time it will be in Bahamas - it is 6am here. Not very warm, raining last night.
