Hi Babe - made it to SXM, flight was almost 2 hours late leaving. Got my=phone connected to the internet, tried to phone a couple of times.

Hotel is nice. Bought some eggs, cereal as the room has a kitchen w=th pots +pans, crockery etc. Also got a rental car at the airport (so = woul'n't have to pay a taxi), \$25 a day including insurance. If we come he=e again this time of year is a lot cheaper for everything. For some reason, it seems to be cooler here than Florida, =aybe the wind has a cooling effect. Hope your trip goes well. Miss you lot=, wish you were here with me so we could go to Philipsburg for pina c=lada's. We will do it another time.

Love, xxxx Phil
