Hey Jeffrey

Thought about you today while talking about  'big data= - would be interested in your take on it and fun to add to our discussion=list when we meet next. Related -- here's something I wrote last month on =he subject that you might find interesting -- http://=inyurl.com/6eg4z2c <http://tinyurl.com/6eg4z2c>

Also, please make su=e never to let the bastards get you down.

Nathan <=div>
