Hi Myla,

I have the wines already together in my office and I am working on the Champagne. But there seems to be a price mistake in our price list. I see that the price there is \$120,00, but the price is \$175,00 per bottle. I fixed the mistake now in our lists. Do you want to proceed with the order, with the new price?

Our apologies for the misunderstanding.

Kind regards,

Bram
