I confirm wheels up 4:30pm to TEB.

Larry,  
The Russians have backed out. They feel they need a larger helicopter and are going direct to Sikorsky to discuss the S-92. I am not getting a response from the other client regarding the demo. Have reached out several times. Will continue to try, perhaps he is traveling. I think at this time let s move everything to Wednesday. I will certainly keep you informed every step of the way.
