Yes – I DO remember that whole mess now – trying =o work with Andrea and her slippery =usband...

In the meantime I did call DTV Trinidad and they =ssure me that the fight is on a regular channel – CH503 and it is not =pv, just part of the regular program.

I asked him if he was =ure and he said yes.

And so I asked him again =f he was really really sure, and he said well, you are the =05th person =o ask me the same question today, so if I am wrong we are all in deep =hit....

??

It is kind of hard to =elieve – what do you think?

Hi Simon,

I can check records but I recall you contacted Direct TV at the beginning of the season and helped Jon set up the account in December 2014

Let me know if you do not find the account details
