Hi Babe

Just read your mail but deleted it by mistake when I meant to press the =nbsp;reply button. I arrived here yesterday evening but it got late and I =idn't get connected to the internet. My phone was low battery so I have ha= it on charge all day. Been doing some odd jobs around the farm and drove around the fenceline with Peter today i= the tractor looking for fence damage as the electricity (it is an e=ectric fence) was not working properly. Hot here today. How is Lyford key.=Have you been to town yet? Hope the crew are behaving themselves.

I'm not sure if the phone is working here yet but you can give it a try.=nbsp;

Miss you lots,

Love xxxxxx Phil
