Subject: Re: AC for Sporties boat

I haven't been able to get on Sportis yet this morning as I and Tap have been doing runs all morning. Anna was onboard Sportis this morning and took a photo of info and said she would send it. Nautica also has a non functional AC.

any updates on AC
do all of our boats have?
thanks

Yes there is an AC unit. My guess is it was factory installed in Poland when the boat was built. I will look at it tomorrow and let you know.
