For your security, we must verify your account information before processing your transaction. This process can take up to 4 business days but can be completed more quickly with your assistance. Typically within the next business day (but no longer than 3 business days), a charge will post to your account for an amount slightly less than the total transaction amount of 1,160.99 USD. When you see this charge to your bank account, log into your Xoom account and enter this amount on the Track Transaction page <<https://www.xoom.com/track-transaction?trackingNumber=X7981602400318>>. Your account will automatically be verified and your transaction will be processed.

You may cancel this transfer at any time and Xoom will process a full refund which may take up to 10 business days. To cancel this transaction or if you ever need help, visit our Help Center <<https://www.xoom.com/help>>, email or call us any time at 877-815-1531 (toll free) or +1 415-395-4225.
